Re: Request for Certificate of Correction

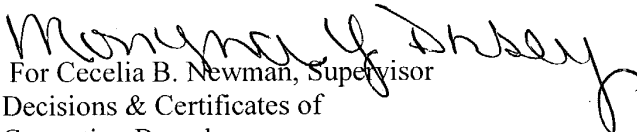

Consideration has been given your request for the issuance of a certificate of correction in the above-identified patent under Rule 1.323.

The change made to column 4, line 14 proposes new matter with the addition of the term "with or without jets." Further, inconsistent terminology used for reference number "27."

Therefore, no correction (s) is in order here under United States Codes (U.S.C.) 254 and the Code of Federal Regulation (C.F.R.) 1.322.

Future correspondence concerning this matter should be filed and directed to:
